

EUROFLOR ARKITEK CARPET TILES

NEWFLOR STANDARD NYLON PRODUCT WARRANTY

Terms & Conditions

We hereby warrant that the nylon carpet tile if received in perfect condition and professionally fitted and maintained, is guaranteed against all manufacturing defects.

10-Year Wear Resistance Limited Warranty

Newflor warrants that its nylon products will lose no more than 10% of pile face, by weight, during the ten-year period of warranty. This warranty begins when the tile is installed in accordance with Newflor's published specifications and continues in effect during the ten-year period as long as the carpet tiles are maintained in accordance with Newflor current carpet care recommendations.

10-Year Delamination Limited Warranty

Newflor warrants that, under normal conditions, the secondary backing of its products will not delaminate during the ten-year period.

10-Year Dimensional Stability Limited Warranty

Newflor warrants its products as dimensionally stable- no shrinking or stretching – under normal conditions. Newflor also warrants its tiles against cupping, doming, curling or dishing.

Life-time Static Limited Warranty

Newflor warrants that its nylon product when installed and maintained as recommended by Newflor will be life time shock-proof to human beings.

Like any manufactured goods the value of your carpet tiles will also depreciate over time with wear, this warranty is a time depreciating warranty from the time of installation.
