
Protecting and Maintaining Your Vinyl Floor

Thanks to the special PUR surface treatment, the 150-240-250-260 vinyl range is highly resistant to the accidents of everyday life. Follow this gentle cleaning routine to keep your floors more hygienic and looking as good as new.

Daily: wipe or vacuum

Once a week (or more often): wipe the floor with a damp mop or a dampened cloth with warm water and a neutral detergent.

Whenever necessary: remove dust with a broom or vacuum cleaner to avoid dust and dirt build-up.
